# Dear Town of Farmington Resident,

Starting Monday, January 6, 2020, Waste Management will provide carted residential waste service for the Town of Farmington. Refuse will continue to be picked up weekly on your scheduled day of Tuesday, Wednesday, or Thursday. The route map on the following page indicates which day your trash will be picked up. We look forward to helping your community be as clean and green as possible throughout 2020 and beyond.

Making the transition from your current trash service to Waste Management's will be simple. Here are a few things to keep in mind:

#### **New Trash Cart**

Each residence will receive a 96-gallon or 64-gallon cart (if chosen beforehand) for trash, which will be delivered between December 16 and December 18. This cart will be green with a green lid. Carts may be delivered any day during this period and will be delivered to the end of your driveway. Please use the trash cart for acceptable residential waste materials only. Beginning January 6, 2020, Waste Management will begin the new trash service and collect the new carts only. Nothing outside the carts will be collected. The weight limit for the cart is 200 pounds.

#### **Cart Placement**

All trash carts should be placed at the curb with the handles facing the house. Containers need to be at least 3 feet away from mailboxes, other containers and any other fixed object. If you are having problems with slopes or the wind, simply rotate the cart a quarter-turn, placing the handles toward the wind. This helps keep the lid closed and the cart upright.

Waste Management will collect your refuse each week, as indicated by the adjacent calendar.

### 2020 Holiday Collection Schedule

Residential Waste collection will be delayed one day for the following holidays:

## **Memorial Day -**

Monday, May 25, 2020 Service will be delayed by one day all week.

#### Independence Day -

Saturday, July 4, 2020 Monday - Friday normal service.

## Labor Day -

Monday, September 7, 2020 Service will be delayed by one day all week.

### Thanksgiving Day -

Thursday, November 26, 2020 Thursday service will be delayed by one day

# **Curbside Timing**

Please have your cart at the curb no later than 7:00 a.m. on the day of collection. Please do not place any carts near your mailbox or other obstructions. Carts are property of Waste Management.

#### **Unacceptable Waste Items**

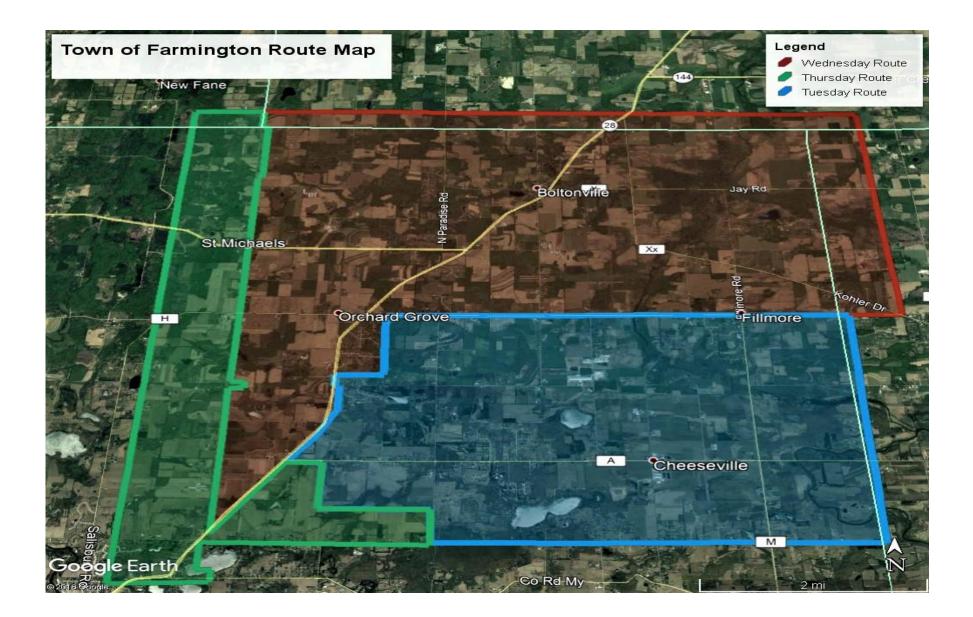

Do not place items such as electronics, yard/green waste, hazardous materials, or tires, in your cart. Only normal household waster material should be placed in your cart for collection.

For further information, please contact Waste Management at (888) 960-0008.

The Town of Farmington has selected Waste Management to be the single provider of residential waste services for the community.

Beginning Monday, January 6, 2020, trash will be collected every week. Refer to the route map for your collection day.
