**Subject:        *Notice of Public Information Meeting***  
***Town of Farmington - Orchard Valley Road Bridge Replacement***

Dear Resident or Property Owner:

Please join us for a public information meeting to discuss the upcoming bridge replacement project on Orchard Valley Road over the North Branch Milwaukee River in the Town of Farmington (see attached location map).

The meeting will take place at the Farmington Town Hall located at 9422 State Hwy 144, Kewaskum, WI 53040 on **Tuesday, September 19, 2023 from 6:00 p.m. to 6:45 p.m.** The meeting will be an informal open-house format, with a short project introduction around 6:05. Representatives from the Town of Farmington, the Wisconsin Department of Transportation, and the design consultant (Baxter & Woodman, Inc.), will be available to discuss the proposed project and address any questions or concerns.

The purpose of this project is to replace the deteriorating bridge structure in order to provide sufficient and safe access to residents, the Golden E Dairy, and Leonard J. Yahr County Park. The project will include replacement of the existing structure and approach pavement, as well as installation of guardrail. A full road closure will be required to complete the bridge replacement, and a local detour will be provided for through traffic. The project is scheduled for construction in 2024.

Persons with interest in this project are encouraged to attend this meeting or provide comments to the Town of Farmington. If you are unable to attend the meeting and would like to provide feedback regarding the project in general or require any special accommodations for the meeting, please do not hesitate to contact the design consultant's project manager from Baxter & Woodman, Inc., Dave Hemmerich, PE at (815) 444-3207, or [dhemmerich@baxterwoodman.com](mailto:dhemmerich@baxterwoodman.com).

Sincerely,

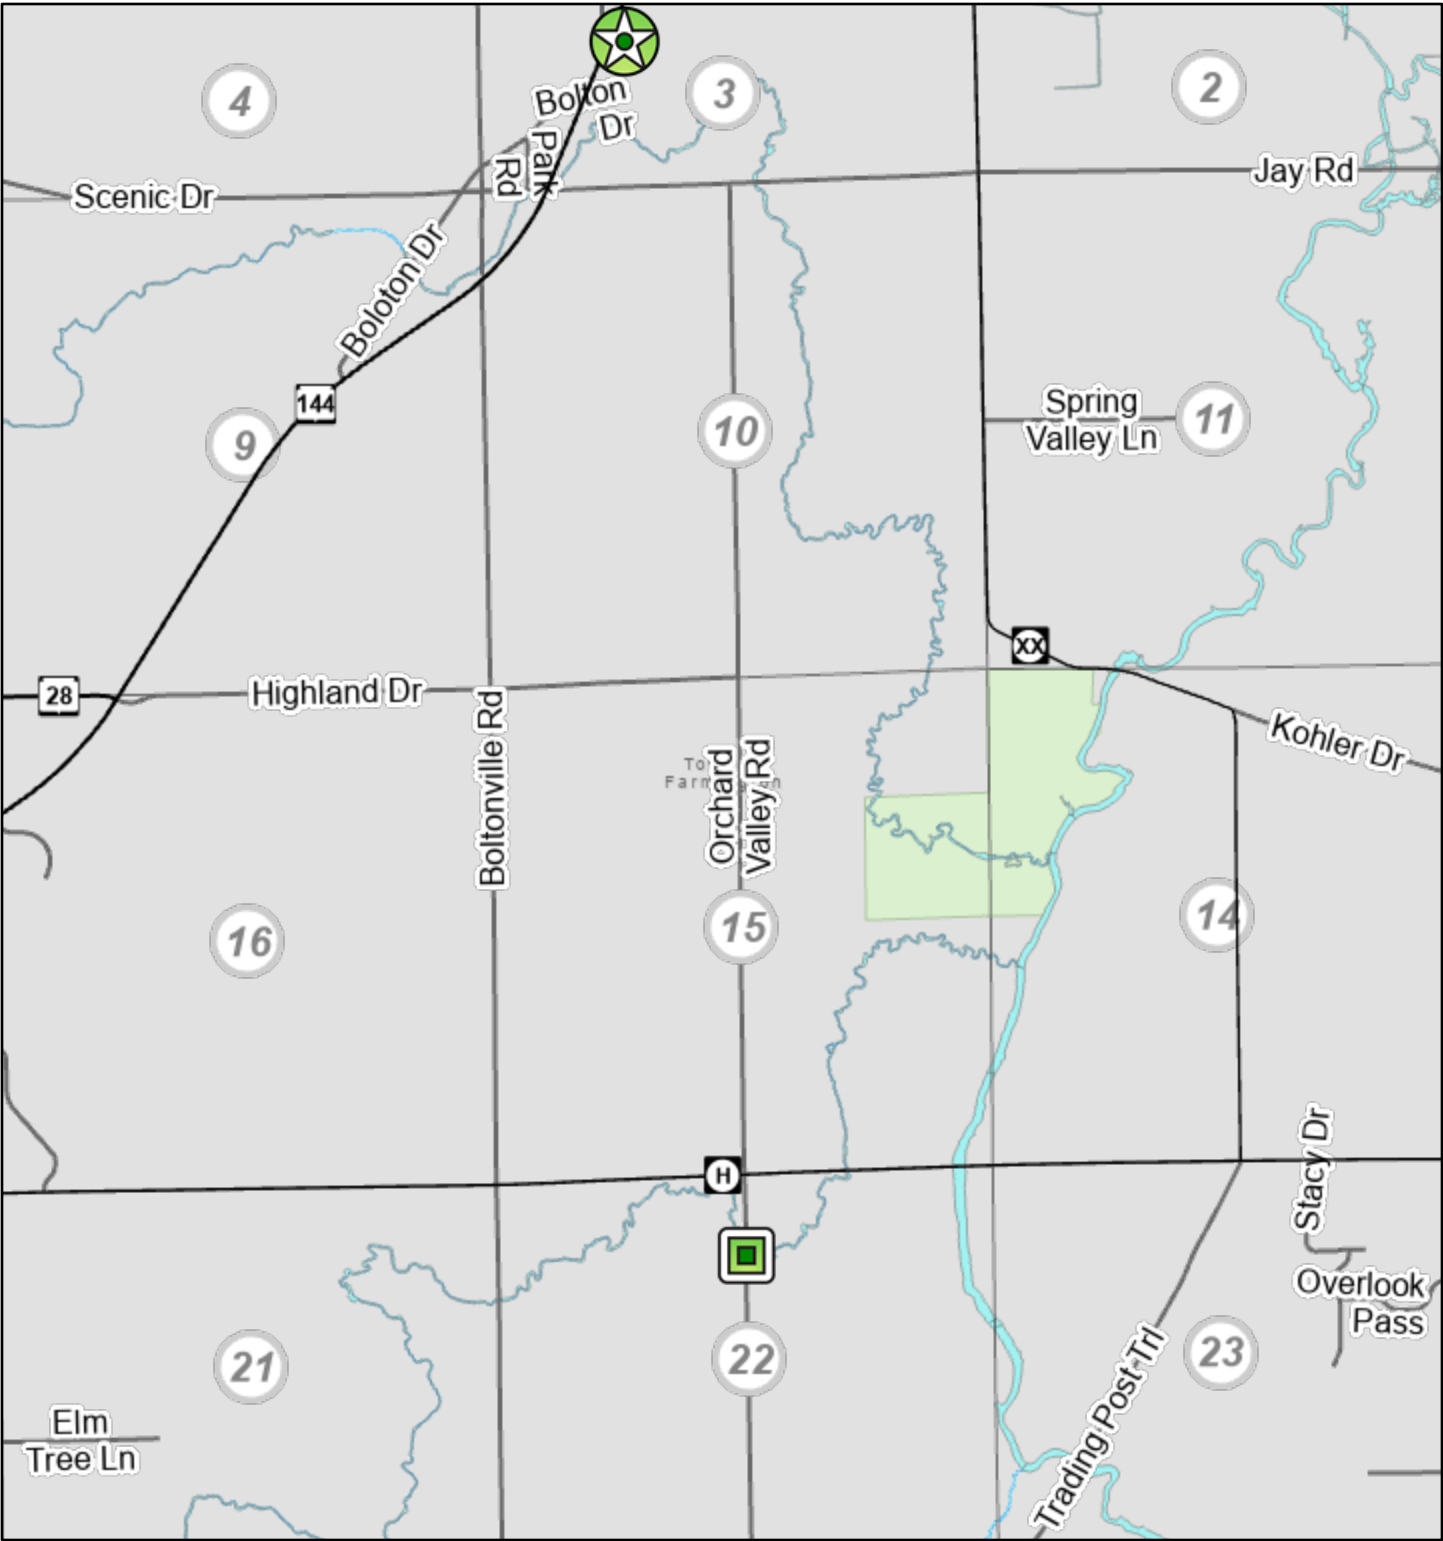

*Doug Neumann*
