

# Washington County Drug Treatment Court Four Year Program Summary

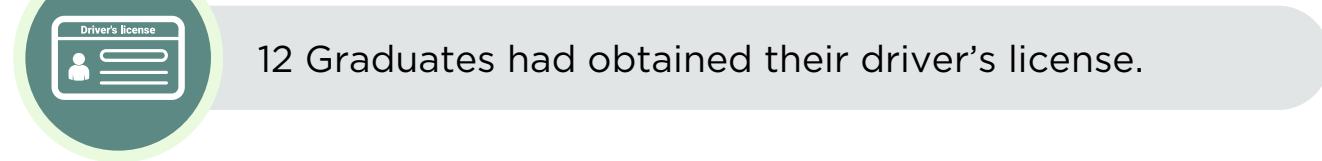

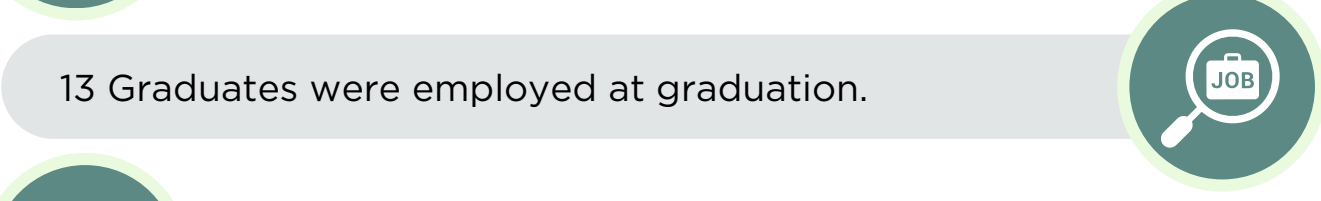

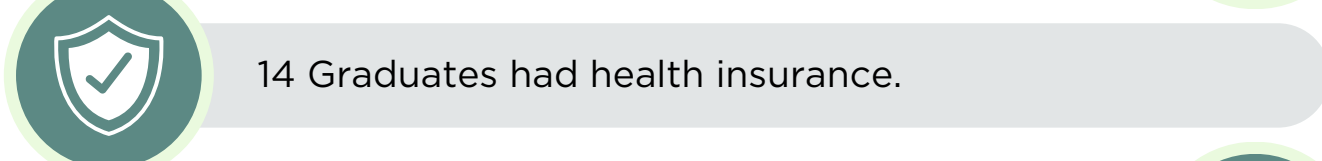

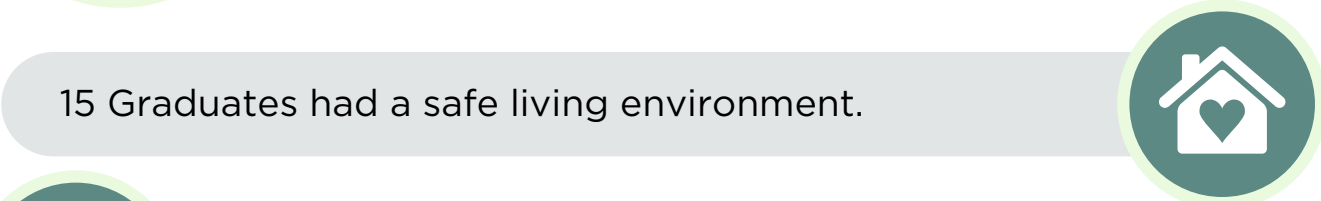

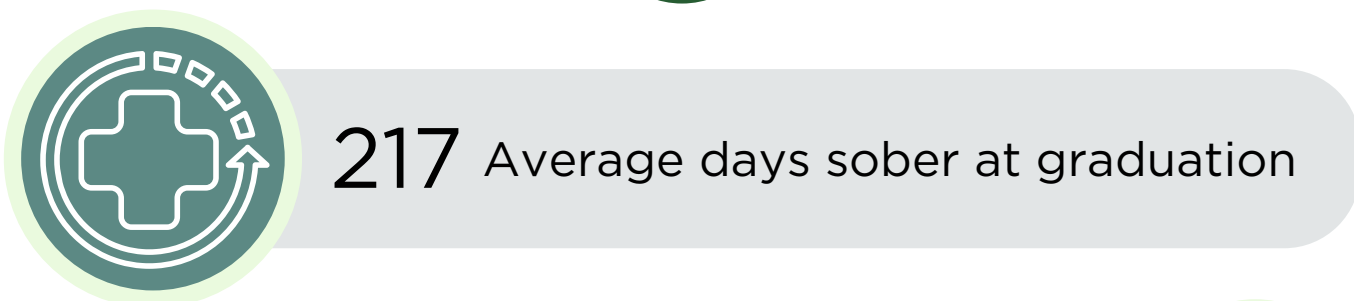

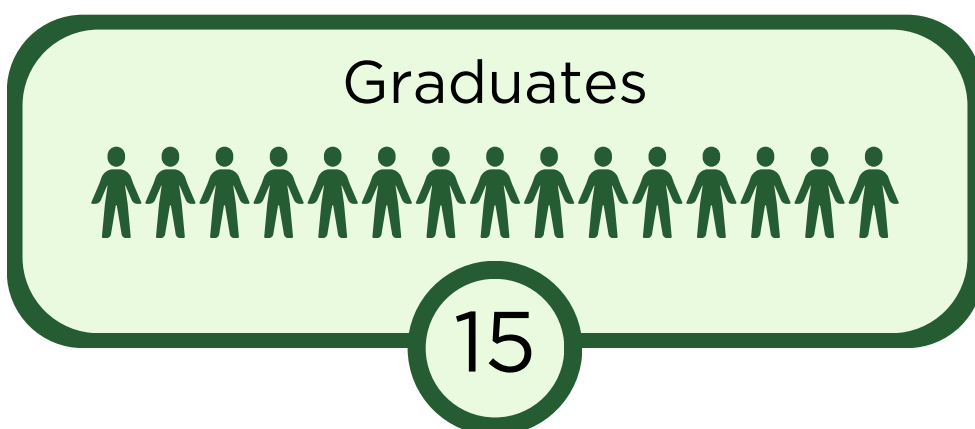

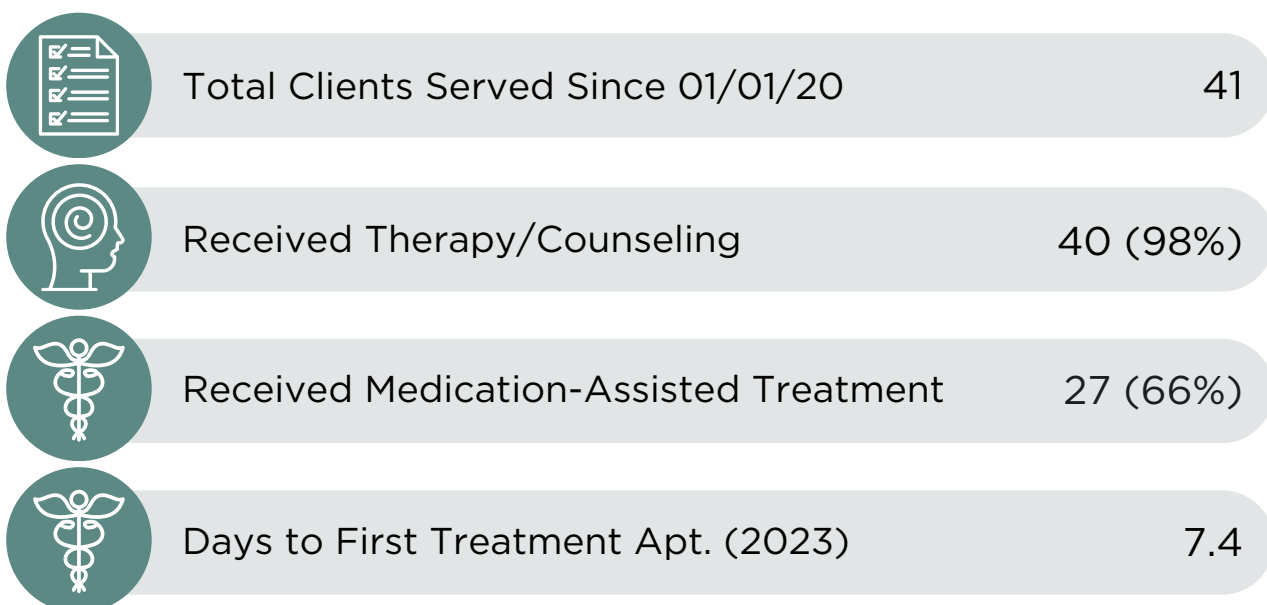

## Mission Statement

The mission of the WCDTC is to provide a safe and effective alternative to the traditional criminal justice system for individuals with a substance use disorder. WCDTC emphasizes personal accountability as well as the importance of evidence-based treatment in order to address the underlying cause of criminal behavior, thereby reducing the recidivism of this population and increasing public safety in Washington County.

## Program Outcomes (Data below represents program outcomes for dates 01/01/20 - 12/31/23.)

## Thank You

The Washington County Drug Treatment Court is made possible thanks to the amazing work of dedicated individuals, partnering agencies and departments, and the support of the community as a whole. Thank you to all of you that have helped support this and similar treatment and diversion programs in our community.
